PHYSICIAN ASSISTANT CONSENT

This facility has Physic ian Assistants to assist in the delivery of orthopaedic care. A Physic ian Assistant (P.A.) is **not** a doctor. A Physic ian Assistant is a graduate of a certified training program, and is licensed by the state board. Under the supervision of a physic ian, they can diagnose, treat, and monitor common acute and chronic diseases, as well as provide maintenance care. "Supervision" does not require the constant physical presence of the supervising physic ian but rather overseeing the activities of and accepting responsibility for the medical services provided.

A Physic ian Assistant may provide such medical services that are within his/hereducation, training, and experience. These services may include:

- Obtaining histories and performing physical exams
- Ordering and/orperforming diagnostic and the rapeutic procedures
- Formulating a working diagnosis
- Developing and implementing a treatment
- Mo nito ring the effective ness of the rapeutic interventions
- Assisting/performing surgery
- Offering counseling and education
- Supplying sample medications and writing prescriptions (where allowed by law)
- Making appropriate referrals

I have read the above and here by consent to the services of a Physician Assistant for my health care needs.

I understand that at any time I can refuse to see the P.A. and request to see a physician.

I understand that should Ineed surgery at a hospital or outpatient surgical center, it will be performed by an Orthopaedic Surgeon.
